## Cycle to Walk

On behalf of the Government of Saskatchewan, it is my pleasure to send our continued encouragement to Ramesh Ferris and the Team as he hand-cycles across Canada to raise funds for the Global Polio Eradication Initiative (GPEI).

Cycle to Walk's initiatives are nothing short of incredible. Raising funds and awareness, educating others on the continuing need for immunization and supporting the rehabilitation survivors in poor countries, are all truly important actions in supporting the global eradication of polio.

Thank you for taking time to speak in our capital city of Regina. It's a joy to know you achieved your 2000km mark while discovering the beauty, tail winds, and hospitality of Saskatchewan from Maidstone to Moosomin. While on your journey, you will no doubt continue to touch the lives of everyone you meet.

Again, best of luck. You show how individuals can make a world of difference.

Sincerely,
