Dear Ramesh:

On behalf of the Foundation, I would like to offer our full support of your Cycle to Walk campaign. Your vision and commitment to raising funds and awareness for the global eradication of polio as well as for education and the rehabilitation of individuals living with polio is truly to be commended.

Your careful planning and consideration of what it takes to accomplish such a momentous task, as well as your determination and belief that anything is possible will go a long way to ensuring the success of your journey.

We wish you, Dr. Reddoch, and all those involved with the Cycle to Walk Campaign the very best of luck and our hope for a successful outcome.

Sincerely,

Rick Hansen, C.C., O.B.C.
